

## More Thoughts on Weinandy's Speech

Michael Sean Winters | Aug. 19, 2011 | Distinctly Catholic

Our friends at Catholic Moral Theology have two new essays responding to Father Weinandy's speech about some theologians being a curse.

[One by Dana Dillon](#) [1], who teaches at Providence College, argues that divisiveness is exactly what we do not need more of in today's theological community.

[The other, by Emily Reimer-Barry](#) [2], wonders aloud just who needs to "seize back" the Bible.

Both are well worth the read.
