

Day 2 of SOA Protest/Ignatian Teach-In: Rally at the Gates

James Roberts | Nov. 22, 2008

As promised, here are photos from this afternoon's events at the gates of Ft. Benning. Tomorrow morning, the silent procession and vigil will take place. Today, however, offered music, dancing, and a gathering of people looking for the opportunity to share a common belief in peace and justice - under a gorgeous Georgia sky.
