

Silk on Santorum & the Poor

Michael Sean Winters | Oct. 13, 2011 Distinctly Catholic

[Over at Spiritual Politics](#) [1], Mark Sill demonstrates anew that he may be the most thoughtful non-Catholic commentator on things Catholic writing in America today. He takes on Rick Santorum's evident unfamiliarity with a core concept of Catholic Social Teaching, the preferential option for the poor, and recalls George Weigel's attempts to water-down the phrase to meaninglessness.
