NCR on the iPad The digital version of NCR is now available via the Kindle app on Apple and Android-powered devices. Cost is \$1.99 per month, with a free 14-day trial subscription available

Owners of an iPad, iPhone, iPod touch or any Android-powered tablet computer or smart phone can download the Kindle app in the app store. Search "National Catholic Reporter" to start your subscription. Every two weeks, you'll receive the same content as the print newspaper subscribers delivered right to your device of choice.
