

NCR Gathers At the Table

Sara Wiercinski | Nov. 30, 2011 NCR Today

Subscribers to the newspaper will be familiar with *NCR*'s At the Table special section, which appears in the Nov. 25-Dec. 8 issue. This section focuses on food and drink, its production, consumption and role in celebration and community. The 2010 At the Table issue won an award from the Catholic Press Association for the best special supplement. In this year's issue, we include recipes from the kitchens of *NCR* staff.

To celebrate the At the Table issue, the *NCR* staff in our Kansas City, Mo. headquarters gathered Tuesday to sample all the recipes.
