

Commonweal's Gallicho on Lori

Tom Roberts | Mar. 21, 2012 NCR Today

Working in reverse, here's the link to Grant Gallicho's superb [reading of the record on the Commonweal site](#) [1] on Bishop William Lori of Bridgeport, Conn., newly appointed as archbishop of Baltimore. It will provide links to the original article in America magazine that started the back and forth. It appears it may be tough to be a culture warrior when dragging behind a past of "prudential" judgments.
