

Commonweal's Gallicho on Lori

Tom Roberts | Mar. 21, 2012 NCR Today

Working in reverse, here's the link to Grant Gallicho's superb [reading of the record on the Commonweal site](#) [1] on Bishop William Lori of Bridgeport, Conn., newly appointed as archbishop of Baltimore. It will provide links to the original article in *America* magazine that started the back and forth. It appears it may be tough to be a culture warrior when dragging behind a past of "prudential" judgments.
