Commonweal's Gallicho on Lori

by Tom Roberts

Working in reverse, here's the link to Grant Gallicho's superb reading of the record on the Commonweal site on Bishop William Lori of Bridgeport, Conn., newly appointed as archbishop of Baltimore. It will provide links to the original article in *America* magazine that started the back and forth. It appears it may be tough to be a culture warrior when dragging behind a past of "prudential" judgments.
