

## "Support the sisters" vigils continue around the country

Alice Popovici | May. 23, 2012

Prayer vigils were held in several cities around the country Tuesday, as protesters gathered in front of local churches - for the third consecutive week, in some cases - to pray and show support for Catholic sisters criticized by the Vatican in a recent report.

Read about the protest in front of New York City's St. Patrick's Cathedral [here](#) [1], about the protest in Seattle [here](#) [2], and the one in Toledo, Ohio, [here](#) [3].
