More website maintenance and its effect on comments

by Pam Hackenmiller

NCR Today

Last week, we had some site maintenance to fix some of our recurring server problems here at NCRonline.org.

Unfortunately, the maintenance did not solve all of our problems, and the site will undergo more maintenance from 4 to 5:30 p.m. CST today.

What does that mean? Comments posted and comments approved between those times might disappear. So if possible, hold off on your comments until after 5:30 CST to make sure your voice is heard.

As always, thanks for spending time with us today! From all of us at *NCR*, have a wonderful weekend.

Oh, and if you haven't already liked us on Facebook, head on over there and become a fan! Once we hit 6,000, we'll give away a free subscription to two lucky Facebook friends. Sounds awesome, right?
