

## Sullivan Calls Out Ryan & His Episcopal Defenders

Michael Sean Winters | Sep. 28, 2012 Distinctly Catholic

[Over at The New Republic](#), [1] Amy Sullivan raises a slightly different challenge to Paul Ryan and his episcopal defenders than the ones I have been raising. She agrees that the moral obligation to help the poor can be achieved in different ways and that reasonable people could disagree about which ways are more effective. But, as she points out, Mr. Ryan has never suggested what those other ways might be! Just give tax cuts to the rich and hope?
