A Star is Born

Distinctly Catholic

I have called attention previously to the new blog *Millennial*, written by Catholic Millennials, but a good read for old and young alike. It is sponsored by Catholics in Alliance for the Common Good. They have a new post up by Marcus Mescher regarding Congressman Ryan's budget, Ayn Rand, and the recent statement from a group of Catholic intellectuals regarding the same. It is very crisply reasoned and written. Keep an eye on Mescher and the rest of the crew at *Millennial*. Good, good stuff.
