

Worst Senate Candidate in History

Michael Sean Winters | Oct. 18, 2012 Distinctly Catholic

[Mark Silk at Religion News Service](#) [1] writes about GOP Senate candidate Linda McMahon's latest demonstration of her inability to understand complex issues, in this case, the administration of Plan B in cases of rape at Catholic hospitals.

But, McMahon is more than uninformed. Part of her wrestling empire was built with some help from the porn industry as [this Politico story](#) [2] details. When a Connecticut newspaper reported on her company's links to porn, she threatened to sue the newspaper. See for yourself. Google "Linda McMahon pornography" and you will learn more than you ever wanted to know about this woman's contemptible profiteering. She would be a disgrace in the Senate.
