Mitt Romney's Intrinsic Evil

by Michael Sean Winters

Distinctly Catholic

I am beginning to think that Gov. Mitt Romney must enjoy lying. Jonathan Cohn, at The New Republic, reports on Romney's mistaken claim about Chrysler auto jobs being sent to China, and after Chrysler publicly corrected him, now he is running ads on the same theme. I will also say that his slur against "the Italians!" is repulsive and should cost him the votes of Italian-Americans. This is ugly, ugly - better to say, bruta figura.
