

Must-Read: Gibson on "Catholic Moment"

Michael Sean Winters | Nov. 2, 2012 Distinctly Catholic

[Over at Religion & Politics](#) [1], David Gibson suggests that American politics may have reached its "Catholic Moment" but that it is anyone's guess if American Catholics will figure out how to make the most of such a moment. Very insightful piece as we have come to expect from Gibson. Full disclosure: I am on the advisory board of Religion & Politics but I did not solicit nor edit Gibson's article.
