Kaveny Response Part II

by Michael Sean Winters

Distinctly Catholic

Cathleen Kaveny is writing some of the smartest posts on the HHS mandate to be published so far. Here is her second response to my posting which was, in turn, a response to her first article on the topic at Commonweal. I shall respond to Kaveny's postings when she has completed them but must say that the White House would be in a far different position if they had hired her to explain the mandate a year ago, which is not to say that i am entirely persuaded. But, as I say, I shall wait until she is finished to reply.
