

## The Catholic Church & Women

Michael Sean Winters | Jan. 30, 2013 | Distinctly Catholic

When you see "The Catholic Church" and "Women" in the same headline, you usually expect something to do with reproduction or women's ordination. But, [this article at Millennial](#) [1], looks at the role Catholic schools can play in combating some of the truly demeaning forces that are directed at young women in today's hyper-sexualized, hyper-commercialized, and hyper-commercially sexualized culture.
