

## Video: Panel on Obama's Second Term

Michael Sean Winters | Feb. 1, 2013 | Distinctly Catholic

I noted previously that I was pleased to be part of a panel discussion at Catholic University on what to expect from Obama's second term. Joining me on the panel were Melinda Henneberger from the Washington Post, Rachel Swarns from the New York Times, and Greg Erlandson from Our Sunday Visitor. you can see video of the discussion [here](#) [1].
