

## Podcasts with Farrelly and Silk

Michael Sean Winters | Feb. 13, 2013 Distinctly Catholic

The Journal of Southern Religion has posted two new podcasts I highly recommend.

The first is [an interview with Maura Jane Farrelly](#) [1], whose book "Papist Patriots" I reviewed in two posts at the end of December. You can read my review [here](#) [2] and [here](#) [3].

The second is [an interview with Mark Silk](#) [4], who pens the blog "Spiritual Politics" at RNS and teaches religion and public life at Trinity College.
