Wittes Eviscerates Rand Paul

by Michael Sean Winters

Distinctly Catholic

Over at LawFare, Benjamin Wittes explains why Senator Rand Paul's filibuster on the issue of drone strikes was nothing more than a publicity stunt. I agree with Wittes. What is more, I expect this kind of paranoid foolishness from the likes of Sen. Paul. But I was appalled by, and call down shame upon, those lefty commentators that applauded his antics. Really people? One does not advance a serious issue by discussing it in unserious ways.
