

## Two From Albacete

Michael Sean Winters | Mar. 13, 2013 Distinctly Catholic

Those of us who are fans of Msgr Lorenzo Albacete are such because of commentaries like these two from Sussidiario. They demonstrate why he is the acknowledged chaplain of the Mystery Party here in the U.S. Church.

[The first is on two pictures](#) [1], the one of an emerging planet being born and the other of Pope Benedict's helicopter leaving the Vatican.

[The second is on the incarnational significance](#) [2] of a pope, and why that is more important than "the issues."
