

Social media billows with reaction to the new Pope Francis

Brian Roewe | Mar. 13, 2013
Pope Francis

The 2013 conclave was the first in a world with social media, and people from around the world took to their favorite channels once the white smoke billowed to respond and react to the news. *NCR* has compiled through Storify a snapshot of the social media reaction:

Support independent reporting on important issues.
