

Weigel on Francis & A Prediction from MSW

Michael Sean Winters | Mar. 15, 2013 Distinctly Catholic

[At National Review](#), [1] George Weigel gives his take on both the conclave and the man who emerged as pope from that conclave. I will only offer a prediction: Within about a year, Weigel and his neo-con cohort will be expressing "palpable unease" at the new pope's actions. You heard it hear first.
