

Rowland on CL & Francis (&B16)

Michael Sean Winters | Mar. 26, 2013 Distinctly Catholic

Tracey Rowland, who is one of my favorite theologians, has a [great article up at Religion & Ethics](#) [1] about Comunione e Liberazione (CL) and the influence their founder Father Luigi Giussani had on both Pope Benedict XVI and Pope Francis, and why that influence is critical to understanding Francis' position vis-a-vis liberation theology. Great stuff.
