Francis: No Turning Back the Clock

by Michael Sean Winters

Distinctly Catholic

Vatican Radio reports on the Holy Father's homily this morning which he focused on the Holy Spirit pushing us forward, and the ways we resist the Spirit's promptings. He called Vatican II a great work of the Holy Spirit and said there could be no "turning back the clock."

Dear readers. Please listen to the Holy Father's words and before you think of how they might be a challenge to others, think of how they might be a challenge to yourself.
