

MSW's Matching Grant

Michael Sean Winters | Apr. 26, 2013 Distinctly Catholic

We are in the final 48 hours of our *NCR* Webathon. I am profoundly grateful to those of you who have already given. But, in an effort to put us over the top, and meet our goal, I am making a matching grant offer. If we raise \$5,000 from conservatives today, I will not say a bad word about George Weigel for a fortnight. If we raise \$5,000 from liberals today, I will not say a bad word about LCWR for a month.

Seriously -- I know we all have many claims upon our charitable giving. But, I know that many of you enjoy commenting on this blog, some applauding, more objecting. I think that at *NCR*, we do our part to provoke controversy, raising issues that do not get raised elsewhere in the Catholic press, arguing amongst ourselves, too, and that many of you enjoy the back-and-forth. Please help keep it going.
