

Weigel on Pope Francis

Michael Sean Winters | Jun. 7, 2013 | Distinctly Catholic

George Weigel did [an interview with LifeSiteNews](#) [1] about Pope Francis. I almost admire the shamelessness with which Weigel plugs his latest book. But, as a friend noted in an email this morning, it must be said that George Weigel may be the only person on the planet who can do an interview about Pope Francis and not mention the poor.
