Texas priest recovering from mysterious assault

by Tom Gallagher

NCR Today

In a strange case out of Texas, a Austin diocesan priest, Fr. Rafael Padilla, 42, was mysteriously assaulted almost immediately upon checking into (I'm not kidding) the Relax Inn, located in neighboring San Antonio.

According to the police report, when asked how he was assaulted, Padilla said "he thought he was dreaming and didn't know what was going on."

The *San Antonio Express-News* has the full story.
