

## RC Defense of Obamacare

Michael Sean Winters | Jun. 21, 2013 Distinctly Catholic

[Over at Vox Nova](#), [1] Morning's Minion pens a "Catholic Defense of Obamacare." The article is in response to a truly alarming post at Catholic University's new business school. I hope we can expect better next time from the new school. We can certainly rely on Morning's Minion to always explain Catholic social teaching in all its clarity and commitment to justice.
