

Pope Francis & Economics

Michael Sean Winters | Jul. 10, 2013 Distinctly Catholic

[Over at Religion & Politics](#) [1], I have an essay on Pope Francis's economic vision. Unlike an earlier piece I did here at NCR, which spoke to social justice activists like Sr. Simone Campbell and Eric LeCompte, this one focuses on the theological vision of Pope Francis. The quote from Mark Silk is worth the price of admission!
