Schüller Tipping Point Tour

Since yesterday's posting about the kickoff of Father Helmut Schüller's "Catholic Tipping Point: Conversations" tour, emails have been pouring in about his schedule for the next three weeks. Though his events in New York City and Boston are now complete, there are thirteen stops ahead in Philadelphia, and throughout the Midwest and West Coast. His final stop, on August 7, will be on Long Island.

The full schedule of the dates and locations of his upcoming events can be viewed at the tour's official site (<http://www.catholictippingpoint.org>), which you can link to by clicking [here](#) [1].
