

John Cavadini Corrects George Weigel on, well, The Heart of the Matter

[This review](#) [1] of George Weigel's book, "Evangelical Catholicism," got lost in my emails so I apologize for taking so long to link to it. It appeared at First Things and is written by Notre Dame's John Cavadini. I was pretty pleased with my own review of Weigel's book, but Cavadini's brings his scholarly sensibility to bear in a way that is even more devastating. If you do not read anything else today, read this.
