Gehring on Francis

by Michael Sean Winters

Distinctly Catholic

At the Post's "On Faith" blog, John Gehring gives his take on Pope Francis. I quibble with his apparent distinction between "Church doctrine" and "the example of Jesus in the Gospels" as if the one did not flow from the other, but all in all, I think Gehring captures the sense of freshness about this pontificate and responds accordingly, with a hopeful, open-hearted stance. "Look, I am doing something new," we read in Isaiah. "Do you not perceive it?" Sadly, some don't. Happily, some, like Gehring, do.
