

## Culture Warrior Model Is Dead, Dead, Dead

Michael Sean Winters | Aug. 23, 2013 Distinctly Catholic

The opening sentence of [this report from Vatican Radio](#), [1] about the Holy Father's words to a group of Japanese students, says it all: "Peace cannot be built without dialogue founded on meekness." A learned and wise friend sent me the link and suggested the headline could have been: "USCCB, Stick a Fork In It; The Culture Warrior Model is Dead." Certainly, the "Fortnight Freedom" was not precisely an exercise in meekness.
