

"Letter to a 'Conservative' Catholic"

Michael Sean Winters | Sep. 25, 2013 Distinctly Catholic

[This moving article](#) [1] was just published at Millennial. Regular readers will recall that the editor of Millennial, Robert Christian, filled in for me at the end of August for a week here at Distinctly Catholic. Christian has found some great young writers for his stable and this article speaks to something I really like about our RC Millennials - they have no chips on their shoulders, they are less "dug in," they are not tired from the wars of the past and they are hopeful, above all, they are hopeful.
