Cardinal Burke Still At It

by Michael Sean Winters

This interview with Cardinal Raymond Burke, published at the Wanderer, makes for painful reading. It would be difficult to find someone whose words are less like those we cherished in Papa Francesco's interview. The G-8 cardinals are gathering in Rome this weekend for their meetings next week with the Holy Father. I am not privy to their agenda. But, I humbly suggest that at the top of that agenda they recommend a muzzle for this Prince of the Church.
