

Ted Cruz: the mask of sincerity unveiled

Thomas C. Fox | Oct. 30, 2013 NCR Today

Almost from the day he joined the Senate, I've kept an eye on Ted Cruz, a particularly pernicious new force in the U.S. body politic. I get Cruz updates through my Google alerts and am seldom less than amazed at his brashness, destructiveness and self-satisfying manners. Today on the New Yorker website, David Denby [writes](#) [1] a penetrating profile of the man. You might check it out.
