

## Obamacare Working Just Fine in WA, KY & CT

Michael Sean Winters | Nov. 18, 2013 Distinctly Catholic

Three governors - Jay Inslee of Washington, Steve Beshear of Kentucky and Dannel Malloy of Connecticut - write in [this morning's Washington Post](#) [1] that Obamacare is working just fine in their states. The money quote:

*The Affordable Care Act has been successful in our states because our political and community leaders grasped the importance of expanding health-care coverage and have avoided the temptation to use health-care reform as a political football.*
