Michael Sean Winters | Nov. 25, 2013 Distinctly Catholic

The Salvadoran American Leadership and Education Fund, working with the Los Angeles City Council, [dedicated a statue to martyred Archbishop Oscar Romero](#) [1] this weekend in LA's MacArthur Park. In addition to a swath of political figures, LA Archbishop Jose Gomez participated in the ceremony. Sources in Rome say that +Romero's cause for canonization has been green-lighted so let's hope, sometime soon, this statue will be dedicated to St. Oscar Romero.
