

Pope Francis Escaping at Night?

Michael Sean Winters | Dec. 3, 2013 Distinctly Catholic

[Huff Post has the story](#) [1]: Pope Francis is thought to be dressing as a simple priest some evenings to leave the Vatican and minister to the homeless. Of course, this is huge news. Of course, too, there will now be a nightwatch at the gates of the Vatican. The poor homeless of Rome. They want their pope. They don't want the paparazzi.
