

+Kurtz is "Groveling"?

Michael Sean Winters | Jan. 8, 2014 Distinctly Catholic

Prize for the first unfair attack on Archbishop Joseph Kurtz goes to the unhappily named group "Restore DC Catholicism" which accuses +Kurtz of writing a "groveling" letter to President Obama. You can read the attack [here](#) [1]. No need to explain - these people are nuts. Try and count the number of crazed, right wing attack lines - I gave up when I hit double digits. Welcome to the big leagues, Archbishop Kurtz - you know you have made it when you are getting attacked by such as these.
