

## Obama To Meet Francis

Michael Sean Winters | Jan. 21, 2014 Distinctly Catholic

Both the Holy See and the White House confirmed that President Barack Obama will be visiting Pope Francis on March 27. I think it is a safe bet that some of our friends on the right will need to take lots and lots of aspirin to keep their heads from exploding. You just know that is one day when it will be sorta fun to listen to Rush Limbaugh!
