

Deneen Stirs Up More Trouble

Michael Sean Winters | Feb. 7, 2014 | Distinctly Catholic

Patrick Deneen likes to stir up trouble. [In a new article at The American Conservative](#), [1] he writes about the divisions within the Catholic Right between the Neuhaus, Weigel, Novak crowd and the *Communio* Brigade led by David Schindler. Of course, Deneen is a little late to the game here. [I wrote about this divide](#) [2] fifteen years ago in the pages of the New Republic. Still, better late than never.
