

Understanding Franciscan identity key to US friars' restructuring

Joshua J. McElwee | Feb. 10, 2014

Preview of a story in our print-only [Religious Life](#) [1] special section.

For the first time in their centuries-long history, the leaders of the seven separate provinces of the major group of Franciscan friars in United States met together in Milwaukee in December 2012.

Joined by the international head of the order founded by the 13th-century St. Francis of Assisi, the leaders had made the historic summit to answer a decidedly uncomfortable question faced by religious orders across the globe: What to do in an era of steeply declining numbers?
