

3.3 Million People Sign Up for Obamacare

Michael Sean Winters | Feb. 13, 2014 Distinctly Catholic

[David Nather, at Politico](#) [1], announced that "Obamacare finally clears the tower," citing the news that 3.3 million people have signed up for private insurance coverage under the Affordable Care Act. I have one thing to say to these 3.3 million people - you'd better vote come November.
