Camosy in DC

by Michael Sean Winters

Distinctly Catholic

Tomorrow, at Georgetown University's Berkley Center, Charles Camosy will be talking about his book "For the Love of Animals: Christian Ethics, Consistent Action." Charlie goes further than me - I love my dogs extravagantly, but also like to eat ribs. But, his writings are always thoughtful as well as provocative and if you are in town, you should consider attending. You can find out time and location, and RSVP, by clicking [here](#).
