Catholic First, Politics Second

by Michael Sean Winters

Distinctly Catholic

In case you missed it on the NCR homepage, this commentary by John Gehring and Kim Daniels makes the important case that we Catholics in the U.S. need to focus on what unites us, and start with our Catholicism first, and not let political divisions get in the way of sowing the seeds of the Kingdom. Gehring is a man of the left and Daniels is a woman of the right. It is good to see them working together.
