### GLOBAL SISTERS REPORT

I hope that you all are following at [A project of National Catholic Reporter](#) **Global Sisters Report** every day. Global Sisters Report is the new website NCR launched last month that is devoted to telling the stories of Catholic women religious from around the world.

The site is chock full of features and essays, many written by the women themselves, about the ministry, formation and development of women religious and their communities.

One of the best features on the site is its "photo of the day." If you missed yesterday's, you have to visit it right now.

Here's a link to all the photos.
