

World Turned Upside Down Dept.

Michael Sean Winters | Jun. 30, 2014 | Distinctly Catholic

I am not an economist, and I would never be nominated for, and would refuse to accept, anything called the "Hayek" prize. But, [this article from the WSJ](#) [1] sums up the acceptance speech given by Casey Mulligan who received this year's Hayek prize. If you still have even the slightest lingering doubt that these libertarian economists are pernicious, read on.
